Please join us as we embark on our journey as a new ensemble in Southern Nevada. We have prepared an exciting program of wonderful local musicians and new/newish chamber music. Our focus is chamber music, incorporating both standard and contemporary works, as well as providing a platform for the local composers in the area to display their work.

The program:

- Bohuslav Martinu, "La Revue De Cuisine" for sextet
- George Crumb, "Dream Sequence" for Violin, Cello, Piano, Percussion and off-stage Glass Harmonica.
- Carlos Surinach, "Tientos" for English Horn, Timpani and Harp
- Peter Ware, "Liberate me Domine" for two Saxophones and three Percussionists
- Maurice Ravel, "Introduction et Allegro" for Flute, Clarinet, Harp and String Quartet.
