

100 members of Sunset Symphony prepare concert for Carnegie Hall

The Sunset Symphony, Clark County School District's award-winning youth orchestra, is now preparing for an April 1988 performance at New York City's prestigious Carnegie Hall.

The musicians, chosen from more than 200 applicants, are already preparing music for the coming concert season, including works by Beethoven, Dvorak and Copland. They are also beginning to raise funds for their Carnegie Hall performance, in which each student is responsible for the \$670 cost of visiting New York.

To help students raise funds for the trip, call conductor Michael Allard, 799-4829, or Sunset Symphony Parents' Association president Sally Zimmerman, 871-1958.
